AM. J. DRUG ALCOHOL ABUSE, 11(3&4), pp. 357-360 (1985)

Index to Volume 11

A

Add. *See* Attention deficit disorder (ADD)
Adolescents
  delinquent, effect of placement of residential programs on drug and alcohol abuse, 249-278
  female, drinking patterns in, 315-348
  Indian, on reservations, trends in drug use by, 209-229
  role of parents and peers in use of alcohol and marijuana by, 11-25
Alcohol abuse
  duration of, relationship of to cognitive deficits, 279-293
  effect of placement of delinquent adolescents in residential programs on, 249-278
Alcohol use
  by adolescents, role of parents and peers in, 11-25
  in methadone patients, epidemiology of, 37-53
  patterns of in female children and adolescents, 315-348
Alcoholics
  in military, polydrug use in, 27-35
  male
    effect of duration of sobriety in on marital relations, 303-313
  psychiatric symptoms of spouses of, 55-67
  variables associated with blackouts in, 295-301
[Alcoholics]
  treatment outcome of group therapy with, 151-162
Alcoholism
  estimation techniques for prevalence of, 103-111
  etiology of, use of cybernetic paradigm in study of, 69-89
  outpatient treatment of, effect of length of and interview style on outcome of, 131-149
  relationship of cognitive typology in to treatment outcome, 91-101
  Rod and Frame test for elevated risk for, 113-118
Appel, P., 37-53
Attention deficit disorder (ADD), use of methylphenidate in treatment of cocaine abusers without, 193-197
Austin, F. M., 295-301

B

Beauvais, F., 209-229
Bedlington, M. M., 249-278
Belden, B. D., 249-278
Biggs, J. T., 91-101
Blackouts, in alcoholic males, variables associated with, 295-301
Books received, 169, 355
Branchey, L., 295-301

Brandsma, J. M., 151-162
Braukmann, C. J., 249-278
Braukmann, P. D., 249-278

C

Canadian Forces personnel, nonmedical use of drugs by, 231-247
Children
  female, drinking patterns in, 315-348
  See also Adolescents
Clayton, R. R., 119-130
Clonidine, withdrawal symptoms in methadone maintained subjects, during detoxification with, 1-10
Cocaine
  adaptation of IPT for abusers of, 171-191
  use of methylphenidate in treatment of abusers without ADD, 193-197
Cognitive deficits, relationship of duration of alcohol abuse to, 279-293
Cognitive typology, in alcoholism, relationship of to treatment outcome, 91-101
Coombs, R. H., 315-348
Correctional facilities. *See* Residential programs
Cutter, H. S. G., 303-313
Cybernetic paradigm, use of in study of etiology of alcoholism, 69-89

D

Davis, P., 55-67
DeFranco, C., 279-293
Detoxification, using clonidine, withdrawal symptoms in methadone maintained subjects [Detoxification] during, 1-10
Dishion, T. J., 11-25
Drug abuse
  effect of placement of delinquent adolescents in residential programs on, 249-278
  See also Cocaine; Marijuana use
Drug dependence, patterns of in female drug abusers, 199-207
Drug use
  by adolescents on Indian reservations, trends in, 209-229
  nonmedical, by Canadian Forces personnel, 231-247
Dunn, N. J., 55-67

E

Edwards, R. W., 209-299
Elevated risk, for alcoholism, Rod and Frame Test for, 113-118
Epidemiology, of alcohol use in methadone patients, 37-53
Estimation techniques, for determination of prevalence of alcoholism, 103-111
Etiology, of alcoholism, use of cybernetic paradigm in study of, 69-89

F

Family relationships. *See* Marital interactions; Parents
Fawzy, F. I., 315-348
Female drug abusers
  patterns of drug dependence in, 199-207
  See also Adolescents, female; Children, female
Floyd, F. J., 303-313

G

Gawin, F., 171-191, 193-197
Group therapy, with alcoholics, outcome of, 151-162
Hartsock, P. I., 103-111
Hawkins, M. R., 27-35
Husted, J. J., 249-278

I

Indian reservations, trends in drug use by adolescents on, 209-229
Interpersonal psychotherapy (IPT), adaptation of for cocaine abusers, 171-191
Interview style, follow-up, effect of on treatment outcome in outpatient treatment of alcoholism, 131-149
IPT. *See* Interpersonal psychotherapy (IPT)

J

Jacob, T., 55-67
Joseph, H., 37-53

K

Kleber, H., 1-10, 171-191, 193-197
Kosten, T. R., 1-10
Kruzich, D. J., 27-35

L

Lanphier, C. M., 231-247
Leonard, K., 55-67
Length of treatment, of alcoholism, effect of on treatment outcome, 131-149
Loeber, R., 11-25
Long-term abuse, of alcohol, relationship of to cognitive deficits, 279-293

M

Maisto, S. A., 131-149
McCauley, L. G. F., 231-247
McLaughlin, E. J., 279-293
Males. *See* Alcoholics, male
Marijuana use
  by adolescents, role of parents and peers in, 11-25
  relationship of to military service in Vietnam, 119-130
Marital interactions, effect of duration of sobriety in alcoholic males on, 303-313
Methadone
  alcohol use in patients using, 37-53
  withdrawal symptoms of subjects maintained on during detoxification with clonidine, 1-10
Methylphenidate, use of in treatment of cocaine abusers without ADD, 193-197
Military
  polydrug use in alcoholics in, 27-35
  service in Vietnam by, relationship of to marijuana use, 119-130
  See also Canadian Forces personnel

O

Oetting, E. R., 209-229
O'Farrell, T. J., 303-313

P

Parents, role of in use of alcohol and marijuana by adolescents, 11-25
